

Nano Cash 2000

The small, but fully functional **Nano Cash** solves the ATM deployment challenge for locations with limited space or thru-the-wall requirements.

Create your true ATM Values
Design your own portfolio

With its smaller size, the Nano Cash offers both **VERSATILITY AND CONVENIENCE** without sacrificing Hyosung's renowned quality and affordability. Multiple configurations give the retailer a variety of installation options. Displayed on a countertop or pedestal, the Nano Cash requires only **1.5 SQUARE FEET**. The Nano Cash is also unrivaled as an economical **THRU-THE-WALL SOLUTION**, ideal for small banking environments or outside retail locations. The Tranax Nano Cash delivers the most versatile ATM solution with a small footprint at an economical price. Every component in a **Tranax ATM** is designed and manufactured specifically for Tranax ATMs, making them the most **RELIABLE** and cost-effective ATMs available.
